Dear Parents and Guardians:

Thank you for choosing the St. Joseph School Community to assist you in your continual role as the primary educators of your child. We look forward to working with you as educational partners in Fall 2010 when we begin our twelfth year of Year Round Education. The first day of school will be in July. More information will be provided upon your child's formal acceptance into our Pre Kindergarten program.

To be considered for acceptance in our Pre Kindergarten for Fall 2010, the following is required:

- The student must be 4 years old by December 31, 2010**
- Completed application form
- Completed Parent/Guardian questionnaire
- Current report card or progress report **and** a teacher reference letter
- Copy of child's Birth Certificate
- Copy of child's Baptismal Certificate
- Copy of verified social security number
- Application fee of \$30.00
- Attendance at the Parent Orientation Meeting scheduled for Saturday, February 6, 2010**
- Student Assessment scheduled for Saturday, February 6, 2010**

Due to a limited number of students who can be accommodated, enrollment is based on a child's school readiness and on a first-come-first-serve basis. However, priority is given to siblings of students enrolled at St. Joseph School. **Parents must also attend the Parent Orientation Meeting scheduled for February 6, 2010 and bring their child for the student assessment scheduled at the same time.** While parents are meeting with the administration, students will be participating in the student assessment that will begin with **circle time**, followed by **small group** (teacher directed activity), and ending with **centers** (indoor play).

If you have any questions concerning our application packet, please feel free to contact our school office. We look forward to meeting you and your child on **February 6, 2010**.

Sincerely,

Ms. Sandobal, Principal
