Our Special Mahalo to all the students and their parents who volunteered their time to participate in the Community Service Project, *“Malama Pu’uloa—Restoring Abundance to Pearl Harbor.”*

This project was hosted by the Miss American Scholar Organization and B.R.A.V.E. Hawaii. We also especially thank Mrs. Valenzuela, mother of Julia in Grade 1, who greatly assisted in our participation in this wonderful educational Community Service Opportunity.

If you took photos of this event, please email them to [bsandobal@stjosephwaipahu.org](mailto:bsandobal@stjosephwaipahu.org) and share comments about how your family lived out “Taking Care of God’s Creation,” one of our Catholic Social Teachings.

*“We show our respect for the Creator by our stewardship of creation. Care for the earth is not just an Earth Day slogan, it is a requirement of our faith. We are called to protect people and the planet, living our faith in relationship with all of God’s creation. This environmental challenge has fundamental moral and ethical dimensions that cannot be ignored.” USCCB*
