

SCHOOL UNIFORMS

Uniforms on backorder? Or out of stock?

Please inform your child's teacher and keep them updated on the status of your order. We will be working closely with Dennis Uniforms to ensure that your items are received as quickly as possible.

What does my child wear in the meantime?

Acceptable casual dress may be worn. Any clothing and graphics must be appropriate to the school's mission and philosophy. All attire must be an appropriate fit and length. Uniform socks and shoes must be worn. If socks are on back order, please have your child wear ankle-length plain white socks.

Due to the number of uniform items that are currently backordered, there will be a grace period on issuing a Uniform Notice by your child's teacher. All other dress code requirements will be enforced (hair, jewelry, shoes, etc.)

Thank you for your patience as we work with Dennis Uniforms to complete your order. Please contact the school office at #677-4475 should you have any concerns or questions.
